Revenue Trend

Key Business Insights

- **Sales:** ₹116.15M revenue was generated from 500 orders, with an AOV of ₹232.31K.
- **Category:** Electronics is the top revenue-generating category.
- **Customers:** 39% repeat rate shows a strong base of returning customers, with further retention opportunity.
- **Operations:** 10.6% of orders were cancelled and should be investigated.
- **Inventory:** Low-stock products require monitoring and timely replenishment.

Recommendations

- Increase focus on high-performing Electronics products.
- Use loyalty offers to increase repeat purchases.
- Investigate cancellation patterns by city and payment method.
- Replenish low-stock products proactively.
- Target high-value customers with personalized offers.
